A MESSAGE FROM CLUB PRESIDENT, BARRY WARWICK

The Committee and management team have been very focused on positive outcomes with focus on securing Grants or club internal funding for key initiatives including:

- Water truck.
- Pavilion blinds.
- Home straight fence.
- Pavilion Wi-Fi.
- Stalls projector.
- Track lighting.
- Garden projects.
- Welder.
- Grader.
- Stalls shelter.
- Disabled toilet automatic door.
- Public toilet baby change table.
- Playground shade sails.
- Playground equipment (additional).
- Perimeter track fencing.
- Administration office.
- Development of old stalls.

The club Committee is pleased to advise the following progress-

Water truck - Will arrive at the club within the next two weeks, thanks to funding kindly provided by Racing WA.

Pavilion blinds - Have now been installed to increase member and patron comfort on the front windows facing the racetrack during race days and functions.

Home straight fencing - Has been installed to ensure increased safety for horses on the track and patrons standing close to the fence during races.

Pavilion Wi-Fi - Installation completed with Wi-Fi soon to be available to use on race days once activated.

Stalls projector - Installation completed with participants now able to watch races live on the screen in the stalls complex.

Disabled toilet door - Now installed in the pavilion making the door easier to open and lock whilst in use.

Public toilet change table - Now installed making it more comfortable for parents to change babies.

Garden Projects - The Southwest Highway garden is now complete with work on the garden between the stalls and pavilion pending completion.

Welder - Now in use allowing the track team to use it for various track projects.

Grader - Pending delivery from Victoria. The new grader will ensure time is reduced to grade the track.

Stalls shelter - Now installed providing better viewing of races in summer.

UP & COMING EVENTS

17th June PHRC Member's Day

24th June - PHRC Life Members Race Day

1st July - PHRC Stallion Tender Opens

8th July - Wally Barrett Memorial & Christmas in July Race Day

PRESIDENT'S LETTER cont.

Playground shade sails - Thank you to the amazing generosity of club number 1, ticket holder Barrie Devereux shade sails have now been installed providing extra shelter from the sun during the hotter months of the year.

Playground equipment - The club has purchased additional equipment that will be installed during the next couple of months.

Perimeter track fencing - The club will be submitting a formal grant to Racing WA in June to fund the replacement of the fence which needs replacing.

Track lighting - Racing WA is fully supportive of the club receiving lights and has submitted a special funding request to the WA State Government. The club is currently in the process of submitting a supporting submission to the local member, Robyn Clarke, who has also signaled her intention to support lighting. It is anticipated a firm decision on funding for lighting will be made in October.

PHRC General Manager, Dale Putland at the opening of the Pinjarra Hub discussing our Clubs need for track lighting with the Leader of the WA Liberal Party, Libby Mettam.

Administration office - The management team are currently in the process of moving the office to where the stalls café seating area is currently situated. This will provide closer access to all participants needing support from the management team as well as allow the management team to be closer to where most interaction and support occurs. As part of the office move, the race day office will be moving into the main office area in the current café to provide greater access to club management. The current race day office shall be converted into a new stall's café seating area. This will take place within the next few weeks once the office move is completed.

Stalls Café - Due to the office move, the café as now been revamped so food and drinks can only be purchased from the outside servery close to the drinks fountain in the stalls.

So for the short-term, tables and seating shall be provided and located in the first few bays of the stalls complex close to the track.

Northern track end/Old stalls development - Signage has now been installed on Paceway Court to encourage enquiries from developers who may be interested in the area available. As part of the development the Committee has also made the decision due to building safety, integrity, and viability to demolish the Administration/ Committee room building, old canteen building, Pony trot room, old

stalls reinspersons room and urine box. After considering options to refurbish various buildings, advice was given that the buildings are past their use by day and demolition is the only viable course of action.

The Committee recognizes the importance of remembering our past and recognizing our wonderful life members so the existing Fred Grantham Committee Room shall be relocated to the newly named Fred Grantham Stewards/ Committee Room in the stalls complex.

The Roy Adam Lounge shall also be renamed the Roy Adam Administration Centre.

The demolition will take place commencing Tuesday 16 July, whilst the club is on break for two weeks from racing. The timing is perfect as it won't have any impact on race days although it will impact on track workdays for trainers.

There will also be no trials held for two weeks to allow for the works to be completed. These dates will be communicated as soon as practical.

General Manager Dale Putland will be in touch to confirm track work times and availability in due course.

The Committee is very excited about the future for the club and will continue to strive for continuous improvement.

In closing if you have any questions or feedback you would like to provide to the Committee, please don't hesitate to contact the General Manager via email or mobile phone - 0424 145 910 or email:

hrm@pinjarrapaceway.com.au as your feedback and support is most welcome.

Yours Sincerely,

Barry Warwick
President

ROCKINGHAM RAM FAMILY FUN DAY

Featuring the STAWA TABtouch Trotters Cup

3RD JUNE, 2024

The weather held out for the Rockingham RAM Winter Cup and the Square Trotters Cup held on 3rd June. An enthusiastic crowd enjoyed another successful day of racing. The kids were spoilt with face painting, lolly bags and icy poles! Everyone enjoyed live music, food trucks, sausage sizzle, barista made coffee and an exciting atmosphere.

The day was made all the more enjoyable with the South West Pony Trots sponsored by Stikit Solutions. Our up and coming drivers certainly stole the limelight and entertained the crowd with some very competitive racing.

The Rockingham Ram Winter Cup feature race winner was ISAIDBOO driven by Joseph Suvaljko. With Race 8 Winner of the 2024 STAWA Pinjarra Trotters Cup UPTOWN LAD driven by Kyle Harper. Congratulations to all teams.
