WHAT'S BEEN HAPPENING AT OUR CLUB LAST MONTH..

July 2024 kicked off with our School holiday racing....and of course it was an absolute hit! Kids were spoilt with icy poles and lolly bags and The little Pony Trotters put on a brilliant show for spectators.

It was a great day with our Group bookings, members and guests filling our tables and keeping the bar, tote and restaurant buzzing!

Look at this gorgeous sire! **Ultimate Sniper!**

We were lucky enough to have the photogenic Ultimate Sniper parading on course on 26th August.

He is one of our stallion tender horses provided by Allwood Stud. He boasts an impressive \$842,793 in prize money. Son of the legend Bettors Delight. Four time group one winner. 14 wins from only 20 lifetime starts. 2019 - 20 New Zealand horse of the year. Unbeaten in the 2019 Inter Dominion Pacing Championship Series. NZ 3 Year Old and 4 Year Old Male Pacer of the Year. Dual Derby winner. Set three New Zealand records during his career.

It was great to see the Peel Veteran & Classic Car Club here at the Pinjarra Paceway for a private Christmas in July Function on the weekend.

Lots of big changes happening around the Club, with the old buildings gone and office moves and desk shuffles to the Stables. We are building a better Club!

The Rural Building Group

In 1992, as the 'tree change' movement gathered momentum and more people decided to turn their backs on the city, The Rural Building Company stepped up to answer the call for individual designs made for country living.

As part of the family-owned and run JWH Group of award-winning residential builders, we can honestly say building is in our blood. It always has been.

For more than two decades we've been designing rural homes that we would want to live in. Entertain in. Relax in. Escape to.

Drawing inspiration from Western Australia's unique and glorious landscape, each home is special. Just the way it should be.

The Rural Building Company homes are unique.

WE'RE COUNTRY BUILDERS AT HEART

You'll see the difference in our designs, our building techniques and the materials we use. Most importantly, you'll notice a difference in how we treat our clients and the environment. We Understand.
