

Much Whimsy Organic Tea

Gumnut Catering

The story of Much Whimsy Tea began 19 years ago when Lori and Nic welcomed their two beautiful daughters into the world, sparking a friendship that blossomed over shared laughter, hugs, and—of course—tea. Their connection brewed into something magical, and today, they bring you Much Whimsy Teas, a charming collection that celebrates friendship, nature, and the simple joys of life.

Every tea in their range is hand-blended with care, using only the finest organic ingredients. Aromatic, fragrant, and utterly delicious, these teas are not only a treat for the senses but also offer wonderful health benefits. Whether you're sipping for wellness or simply savoring the moment, Much Whimsy Teas is a blend of warmth, well-being, and the magic of friendship in every cup.

Much Whimsy Teas is available for wholesale in 40g-100g packets or jars. We're also thrilled to offer a commercial arrangement featuring charming jars and enchanting tags to beautifully showcase our magical tea selection in your business—completely free of charge! For larger needs, our commercial packets range from 250g to 1kg, with special pricing perfect for stocking up on nature's most delightful brews.
