Welcome

The year is half way through and what a year we've had so far...

Join us for a look back at the past few months on what's been happening at the Club. The smiles, the tears, the wins, the losses...

Each year our Club gets bigger and with the new improvements for our patrons, the race days get bigger... Our Easter Racing attracted over 1000 members and guests and though the clouds threatened, the weather held out for an outstanding day.

We've been trialling themed race days this year, and are proud to say they have been a huge success. Thank you to all our wonderful members and guests who have joined in and made these days a success. Check out the photos of winners and grinners! Hippies & Hillbillies, wacky dresses, 80's and Christmas in July.

Our next themed race day is Boots, Bows & Bling, so be sure to don your fav attire and be apart of the fun.

Our Annual stallion tender kicked off on the 1st of July, and worth a mention as we have 8 stunning stallions on offer for service tender. Head over to our facebook page or request a brochure from one of the frindly staff to see the statistics and write up on each of these horses.

We hope you enjoy a look at the months that were April through to June.

Congratulations to Call To Arms on leading all the way and winning at Pinjarra on 25 May 2026.

Call To Arms a 9 year old gelding, locally owned by Ed and Mark Burnham and trained by Ed, brought up his 10th career win here at Pinjarra.

With 12 career wins from 144 starts, Call To Arms has been a consistent performer with stake money totalling more than \$118,000.

Based on this fine performance, many more wins are to come.

In May the Pinjarra Trots, proudly came together to support Pacing for Pink, an annual initiative to raise funds for the McGrath Foundation, the Breast Care Nurses to support families affected by Breast Cancer.

So far the campaign has raised \$700,000 since its inception and that figure will continue to rise and help those who need it the most.

Across Australia, the harness racing community united under a sea of pink to stand in solidarity with those affected by breast cancer. Celebrating survivors, honouring loved ones, and supporting those currently on their journey.

Every race, every driver, and every supporter plays a part in making a difference. From pink silks to fundraising initiatives, this is more than just a race day, it's a reminder of the strength, courage, and community spirit that brings us all together.

Together, we race for hope, for strength, and for a future without breast cancer research and support service.

Our thoughts and love are with those who have been affected by Breast Cancer.

NTG Fight & Fitness Sponsored Driver Nigel Johns (WA) saluted at Pinjara with Justlikeflair for very excited owner Deb Woodley. Deb said: "Our win was special as it was Nigel's first win in pink pants and also because I'm a breast cancer survivor of 10 years. Paul Demicoli who owns NTG Fight & Fitness is a big supporter of our stable so very special to have Nigel in the cart.

As another year is over for Pacing for Pink in May. Deni Roberts, sponsored by Team Bond flew the flag in WA with 15 wins.

All in all there were a total of 743 wins wearing sponsored pink pants across Australia during May. Pacing for Pink is very proud of all who 'donned' the pink pants and express their sincere thanks to their amazing and generous sponsors, many of whom sponsor year after year. This unique partnership is the key to Pacing for Pink being able to raise substantial funds in support of the vital work of McGrath Cancer Nurses

What a fabulous day at the Pinjarra Trots celebrating our "Hippies & Hillbillies" themed Race Day!

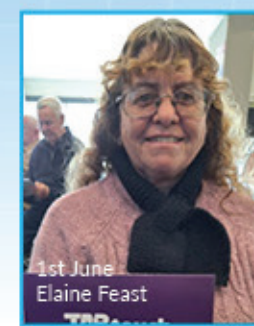

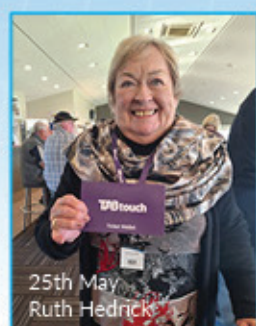

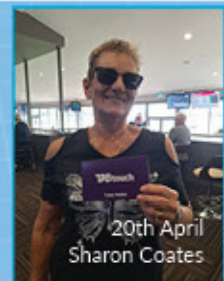

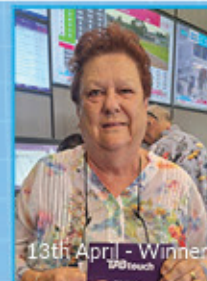

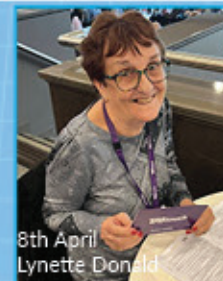

The costumes were absolutely incredible! A big shoutout to all our wonderful punters who went above and beyond. The creativity and effort were truly first class! Congratulations to our Best Dressed winners and quiz champions.

Congratulations to Chris Voak who ran his 2000th win today on OUR VINNIE today, well done!

We also shared a very special and heartfelt moment, honouring our dear late member, Ray Okely, with a featured race in his memory. It was lovely to see his close family there to celebrate and remember him. Our thoughts and love are with the Okely family. Ray was such a delight at every race meet, always greeting us with a beautiful smile as we passed his table. A true treasure in our community.

ANZAC DAY RACING

Lest we Forget

Public holiday Monday, 27th April, was a reminder of our Anzacs and a chance to pay our respects... but boy did the weather gods give us a run for our money. Nevertheless, the Pavilion was buzzing inside with happy punters, group bookings and Members! The meat tray raffle was a huge hit and the lucky winner was all smiles.

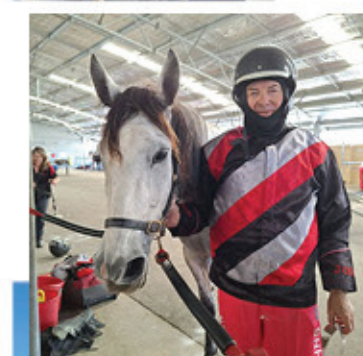

Kids were happy with free Lolly Bags and Icy Poles and the Pony Trots, had a soggy but sensational day of racing.

4TH MAY, 2026

A very warm welcome was extended to the family of the late Jack Ridley, a former country trots bookkeeper and passionate Club supporter. We were truly honoured when his family approached us to host a Memorial Race in Jack's name, as Pinjarra held a special place in his heart. Maxine Taylor (Jack's daughter) also generously donated a beautiful gold necklace trophy, along with cash prizes for the winning driver and trainer.

The Pavilion was buzzing, with group bookings enjoying our seated meal specials, and our Members were pleased with the draws collected throughout the day.

80'S Themed Race Day

22ND JUNE RACE DAY ~ LIFE MEMBERS RACE NAMES

Life Members Race Day was a beautiful walk down memory lane. The Pinjarra Trots was established in 1950 and there has been so beautiful memories that were made and shared by relatives of some of our late Life Members. It really did have such a magical feel about it.

It was especially fitting that Race 2 honoured our very FIRST Life Member, Arthur Edward. This was followed by celebrating some wonderful Life Members we still see regularly, with our dear Loretta Eddy mingling with guests and members and continuing to be part of our Pinjarra Trots family.

It was also lovely to chat with John, son of Ron Gallop, who shared some wonderful memories of the club being built by hand and when the track used to be in a shape of a triangle and how things have progressed since then.

Hearing these stories really brought our history to life. The fact Russell Eddy had a horse racing in his Father's race, Noel Eddy for the final race of the day really did seal the deal of a truly remarkable day.

A section from The First 50 Years by Roy Adams is a piece about Arthur Edward during his time as President, where he hoped that everyone would enjoy the trotting meetings at Pinjarra and share in the success of the Club... We think it's fair to say that many years later, his wish has certainly come true.
