

BMC Plumbing & Gas

BMC Plumbing & Gas is proudly recognised as Kalgoorlie and Peel's most trusted plumbing business, delivering high-quality plumbing and gas solutions across the mining, commercial, and residential sectors. Their reputation is built on reliability, workmanship, and exceptional customer service.

Founded in 2018 by Bradley and Melanie Crockett, BMC Plumbing & Gas was created with a clear vision: to provide exceptional plumbing and gas services to the mining, residential, and construction sectors of the Goldfields.

Brad, the Managing Director, brings over 27 years of industry experience as a registered plumber, leading the team with strong technical knowledge and hands-on leadership.

BMC Plumbing & Gas employs a team of 20 skilled staff, including qualified plumbers and apprentices, servicing more than 5,000 customers each year.

From small residential maintenance jobs to large-scale mining infrastructure projects, they have the workforce, fleet, and equipment to meet demand efficiently and safely. Their vehicles are fully serviced, mine-spec, and equipped to handle projects of all sizes.

They don't just take on big jobs, they're structured to handle them. With in-house excavation equipment, specialised machinery, and a highly trained team, they deliver complete plumbing solutions without unnecessary delays or subcontracting.
