

WATER TANKS | WATER & SAND CARTAGE | PUMPS & STORMWATER

Competitive Pricing

We provide premium products and services at competitive prices.

Expert Staff

Knowledgeable pro-active staff that know their job.

Reliable Services

Reliable, on time and we keep you informed along the way.

Local Operators

Huckleberry has been serving regional WA since 1992, we know what you expect.

Huckleberry Tank Solutions

Huckleberry supply and install Pioneer Rainwater Tanks. They also undertake tank repairs, tank re-lines and tank re-roofing. They also supply and deliver fresh water for households and local business.

The business was established in 1992 by Keith Henneberry as an authorized distributor for Pioneer Water Tanks. Since 1992 the Huckleberry team has grown into a highly experienced team who enjoy what they do, take great pride in their work and enjoy providing the highest level of customer service. The Huckleberry team can build a 110,000-litre tank from start to finish in under 3 hours.

Offering free call outs and quotes, you can count on the team at Huckleberry for your tank and water supply needs.
