

Infiniti Group

Infiniti Group Australia is an Australian owned and operated wholesale group supporting small, medium and large scale businesses.

They specialise in the supply of extensive ranges of food, packaging, chemical, washroom, industrial, and hospitality products, uniquely developed to meet the diverse needs of businesses across industries such as pub, bakery, restaurant, butcher, fast food, supermarket, hotel, office, sporting & social club, commercial cleaning, government, healthcare, school, childcare, aged care, mining, construction and retail.

They know that more choice for you, means more choice for your customers too. They deliver genuine advantages that will make a real difference to your business, including:

- Personalised product showcasing, account management and order taking.
- A friendly, Australian based contact-centre backed up with a dedicated local support team.
- Full on-line product review of live inventory with on-line ordering facilities.
- Tailor-made delivery solutions with optimised turnaround and dispatch.
- A company owned fleet, operated by an in-house logistics team.
- A comprehensive, coherent reward program with genuinely attractive rewards.
