Smash Repairs

PHRC BUSINESS FOCUS

NK & J Grant Smash Repairs provide professional smash repair and automotive refinishing services for all makes and models. With many years of industry experience, their team can assist with both insurance claims through major insurance companies and private repair work.

From everyday hatchbacks, sedans and utes to 4WDs, vans, wagons, classic, vintage, imported and luxury vehicles, NK & J Grant Smash Repairs have the skills and experience to restore your vehicle to its best possible condition. Their services include comprehensive body repairs and professional paintwork, with the exception of large vehicles such as buses and trucks.

Their experienced and knowledgeable team takes pride in providing quality workmanship and reliable service, with the expertise to work across a wide range of vehicle makes and models.

NK & J Grant Smash Repairs also supply and install original vehicle accessories, providing customers with a convenient, comprehensive service for their vehicle repair and accessory needs.
