

Battery Force

Powering your every move!

Battery Force Pty Ltd is a leading provider of automotive, heavy industrial, mining, and marine equipment solutions.

Established with a commitment to supporting local businesses and communities, we have built a strong reputation for excellence and reliability in the industry. Our diversified customer base includes agricultural, heavy construction, mining, industry, and transport trades, with a significant focus on servicing the mining sector.

Core Services: We specialise in a wide range of automotive electrical products and services tailored to meet the needs of our diverse clientele. Our expertise encompasses the supply, installation, and maintenance of batteries, electrical components, and related solutions for various applications across automotive, heavy industrial, mining, and marine sectors.

Customer Focus: We take pride in our commitment to providing top-notch services to our customers. Our dedicated team of professionals works closely with clients to understand their unique requirements and deliver customised solutions that meet and exceed expectations.

Industry Support: Battery Force Pty Ltd is proud to have a strong presence in the local community, supporting local businesses and individuals with high-quality products and services.

Our extensive experience and expertise in the field enable us to cater to the specific needs of industries such as agriculture, heavy construction, mining, and transport trades. We are particularly well-known for our specialised support and services in the mining sector, where our solutions play a crucial role in powering essential operations.
